I compared the Dec 2014 revision to the last version I reviewed which was Nov 2013. (attached) Most of the changes appear to be the addition of permitting sections. I will continue to look at the document through Tuesday. If I see anything egregious, I'll let Dennis know.

I see you are busy on many fronts.

I would appreciate it if you could let me know what status of your review of PR UST regs is. Did you have comments ? provide them to Dennis ? or ?
